INFORMATION CIRCULAR

This information is given as of November 10, 2016

This information circular is furnished in connection with the solicitation of proxies by the management of **FISSION 3.0 CORP.** (the "Company" or "Fission") for use at the annual and special meeting of the Company to be held on December 15, 2016 and at any adjournments thereof (the "Meeting"). Unless the context otherwise requires, references to the Company include the Company and its subsidiaries. The solicitation will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by officers and employees of the Company. The cost of solicitation will be borne by the Company.

The Company is not relying on the "notice-and-access" provisions set out in National Instrument 54-101 "*Communication with Beneficial Owners of Securities of a Reporting Issuer*" ("NI 54-101") to distribute copies of the proxy-related materials in connection with the Meeting.

APPOINTMENT OF PROXYHOLDER

A duly completed form of proxy will constitute the person(s) named in the enclosed form of proxy as the shareholder's proxyholder. The persons whose names are printed in the enclosed form of proxy for the Meeting are officers or directors of the Company (the "Management Proxyholders").

A shareholder has the right to appoint a person other than a Management Proxyholder, to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

VOTING BY PROXY

Common shares of the Company (the "Shares") represented by properly executed proxies in the accompanying form will be voted or withheld from voting on each respective matter in accordance with the instructions of the shareholder on any ballot that may be called for.

If no choice is specified and one of the Management Proxyholders is appointed by a shareholder as proxyholder, such person will vote in favour of the matters proposed at the Meeting and for all other matters proposed by management at the Meeting.

The enclosed form of proxy also confers discretionary authority upon the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this information circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Completed forms of proxy must be received by mail or fax by the Company's registrar and transfer agent, Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, fax number 1-866-249-7775, or by international fax number 1-416-263-9394, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

NON-REGISTERED SHAREHOLDERS

Only registered shareholders ("Registered Shareholders") or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Shares. More particularly, a person is not a Registered Shareholder in respect of Shares which are held on behalf of that person (the "Non-Registered Shareholder") but which are registered either: in the name of an intermediary (an "Intermediary") that the Non-Registered Shareholder deals with (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP's, RRIFs, RESPs and similar plans); or in the name of a clearing agency (such as The Canadian Depository for Securities Limited ("CDS")) of which the Intermediary is a participant.

The Company is taking advantage of the provisions of NI 54-101 that permit it to deliver copies of the notice of meeting, this information circular and the proxy (collectively, the "Meeting Materials") directly to its non-objecting beneficial owners ("NOBOs"). By choosing to send these materials to NOBOs directly, the Company (and not the Intermediaries holding on their behalf) has assumed responsibility for (i) delivering these materials to NOBOs, and (ii) executing each NOBO's proper voting instructions.

Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will receive either a voting instruction form or a form of proxy. The voting instruction form ("VIF") is instead of a proxy. By returning the VIF in accordance with the instructions noted on it a Non-Registered Shareholder is able to instruct the Registered Shareholder how to vote on behalf of the Non-Registered Shareholder. VIF's, whether or not provided by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit Non-Registered Shareholders to direct the voting of the Shares which they beneficially own. Should a Non-Registered Shareholder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the Non-Registered Shareholder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Shareholder or his/her nominee the right to attend and vote at the Meeting. **Non-Registered Shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.**

In accordance with the requirements of NI 54-101, the Company has distributed copies of the Meeting Materials to the clearing agencies and Intermediaries for onward distribution to objecting beneficial owners ("OBOs"). Management of the Company does not intend to pay for intermediaries to deliver to OBOs under NI 54-101 the Meeting Materials and Form 54-101F7 *Request for Voting Instructions Made by Intermediary*. OBOs will not receive the Meeting Materials and Form 54-101F7 unless the intermediary holding shares on behalf of the OBO assumes the cost of delivery.

REVOCABILITY OF PROXY

Any Registered Shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing, including a proxy bearing a later date, executed by the Registered Shareholder or by his attorney authorized in writing or, if the Registered Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. The instrument revoking the proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting. **Only Registered Shareholders have the right to revoke a proxy. Non-Registered Shareholders who wish to change their vote must, at least 7 days before the Meeting, arrange for their respective Intermediaries to revoke the proxy on their behalf.**

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares without par value, of which 178,055,604 common shares are issued and outstanding. Only the holders of common shares are entitled to vote at the Meeting and the holders of common shares are entitled to one vote for each common share held. Holders of common shares of record on November 10, 2016 (the "Record Date") will be entitled to vote at the Meeting.

To the knowledge of the directors and executive officers of the Company, the only shareholder who, as at the Record Date, beneficially owns shares carrying more than 10% of the voting rights attached to all shares of the Company is:

Name	No. of Voting Securities	Percentage
Fission Uranium Corp.	22,000,000	12.36%

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in this information circular, none of the directors or senior officers of the Company, no proposed nominee for election as a director of the Company, none of the persons who have been directors or senior officers of the Company since the commencement of the Company's last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting.

ELECTION OF DIRECTORS

The directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting or until their successors are appointed. In the absence of instructions to the contrary, the enclosed proxy will be voted for the nominees herein listed.

Management of the Company proposes to nominate each of the following six persons for election as a director. The following table sets out the names of the persons to be nominated for election as directors, the positions and offices which they presently hold with the Company, their respective principal occupations or employments during the past five years if such nominee is not presently an elected director and the number of shares of the Company which each beneficially owns, directly or indirectly, or over which control or direction is exercised as of the date of this information circular:

AUDIT COMMITTEE CHARTER

1. Overall Purpose / Objectives

The Audit Committee will assist the Board of Directors in fulfilling its responsibilities. The Audit Committee will review the financial reporting process, the system of internal controls and management of financial risks and the audit process. In performing its duties, the committee will maintain effective working relationships with the Board of Directors, management, and the external auditors and monitor the independence of those auditors. To perform his or her role effectively, each committee member will obtain an understanding of the responsibilities of committee membership as well as the Company's business, operations and risks.

2. Authority

The Board authorizes the Audit Committee, within the scope of its responsibilities, to seek any information it requires from any employee and from external parties, to obtain outside legal or professional advice, to set and pay the compensation for any advisors employed by the Audit Committee, to ensure the attendance of Company officers at meetings as appropriate and to communicate directly with the Company's external auditors.

have no direct or indirect material relationship with the Company. If less than a majority of the Board of Directors are independent, then a majority of the members of the Audit Committee may be made up of members that are not independent of the Company, provided that there is an exemption in the applicable securities law, rule, regulation, policy or instrument (if any).

3.2 The chairman of the Audit Committee (if any) will be nominated by the Audit Committee from the members of the Audit Committee who are not officers or employees of the Company, or a company associated or affiliated with the Company, from time to time.

3.3 A quorum for any meeting will be two members.

3.4 The secretary of the Audit Committee will be the Company secretary, or such person as nominated by the Chairman of the Audit Committee, if there is one, or by the members of the Audit Committee.

Attendance at Meetings

3.5 The Audit Committee may invite such other persons (e.g. the President or Chief Financial Officer) to its meetings, as it deems appropriate.

3.6 Meetings shall be held not less than four times a year. Special meetings shall be convened as required. External auditors may convene a meeting if they consider that it is necessary.

4. Roles and Responsibilities

The Audit Committee will:

4.1 Review and recommend to the Board of Directors any revisions or updates to the Audit Committee Charter.

4.2 Recommend to the Board of Directors:

(a) the external auditor to be nominated for the purpose of preparing or issuing an auditor's report or performing other audit, review or attest services for the Company; and

(b) the compensation of the external auditor.

4.3 Directly oversee the work of the external auditor engaged for the purpose of preparing or issuing an auditor's report or performing other audit, review or attest services for the Company, including the resolution of disagreements between management and the external auditor regarding financial reporting.

4.4 Pre-approve all non-audit services to be provided to the Company or its subsidiary entities by the Company's external auditor provided that the Committee shall have the authority to delegate such responsibility to one or of its members to the extent permitted under applicable law and stock exchange rules.

4.5 Review the Company's financial statements, MD&A and, if applicable, annual and interim earnings press releases before the Company publicly discloses this information.

4.6 Ensure that adequate procedures are in place for the review of the Company's public disclosure of financial information extracted or derived from the Company's financial statements, other than the public disclosure referred to in subsection 4.5, and shall periodically assess the adequacy of those procedures.

4.7 Establish procedures for:

(a) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters; and

(b) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

4.8 Review and approve the Company's hiring policies regarding partners, employees and former partners and employees of the present and former external auditor.

Pre-Approved Policies and Procedures for Non-Audit Services

The Company requires that management seek approval from the Audit Committee of all non-audit services to be provided to the Company or any of its subsidiaries by the external auditor prior to engaging the external auditor to perform those non-audit services.

EXTERNAL AUDITOR SERVICE FEES

The aggregate fees billed by the Company's auditor in each of the last two fiscal years, by category, are as follows:

Financial Year Ending	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees
June 30, 2016	\$52,500	Nil	Nil	\$7,875
June 30, 2015	\$37,050	Nil	Nil	\$8,400

RELIANCE ON EXEMPTION

As the Company is a "venture issuer" for purposes of applicable securities legislation, it is relying on the exemption in Section 6.1 of NI 52-110 from the requirements of Part 3 (*Composition of the Audit Committee*) and Part 5 (*Reporting Obligations*).

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board of Directors, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board of Directors is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

Pursuant to National Instrument 58-101 "*Disclosure of Corporate Governance Practices*" ("NI 58-101"), The Company has reviewed existing guidelines in terms of NI 58-101 and hereby discloses its corporate governance practices in compliance with NI 58-101, as summarized below.

BOARD OF DIRECTORS

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the view of the Company's Board of Directors, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Board of Directors facilitates its independent supervision over management by reviewing all significant transactions of the Company.

The non-independent directors are Devinder Randhawa, Ross McElroy and Phil Morehouse.

DIRECTORSHIP

Certain of the directors are presently directors in one or more other reporting issuers, as follows:

DIRECTORS	OTHER ISSUERS
Devinder Randhawa	Advantage Lithium Corp., Big Wind Capital Inc., Crazy Horse Resources Inc., Fission Uranium Corp., Ironside Resources Inc., Pioneer Pacific Finance Corp., Wolfpack Capital Corp.
Ross McElroy	Advantage Lithium Corp., Crazy Horse Resources Inc., Eros Resources Corp., Fission Uranium Corp., Ironside Resources Inc., Pioneer Pacific Finance Corp., Wolfpack Capital Corp.
Frank Estergaard	Fission Uranium Corp.
William Marsh	Advantage Lithium Corp., Crazy Horse Resources Inc., Fission Uranium Corp., Wolfpack Capital Corp.
Jeremy Ross	Big Wind Capital Inc., Canex Energy Corp., Far Resources Ltd., Fission Uranium Corp., Valparaiso Energy Inc.

ORIENTATION AND CONTINUING EDUCATION

When new directors are appointed, they receive orientation, commensurate with their previous experience and on the responsibilities of directors. Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business.

ETHICAL BUSINESS CONDUCT

The Board of Directors has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

COMPENSATION COMMITTEE

The Compensation Committee determines compensation for the directors and executive officers and is comprised of three directors.

The Company's compensation philosophy for executives continues to follow three underlying principles: namely, (i) to provide a compensation package that encourages and motivates performance; (ii) to be competitive with other companies of similar size and scope of operations so as to attract and retain talented executives; and (iii) to align the interests of its executive officers with the long-term interests of the Company and its securityholders through stock-related programs.

When determining compensation policies and individual compensation levels for executive officers, the Compensation Committee takes into consideration a variety of factors. These factors include overall financial and operating performance of the Company, the Compensation Committee and the Board's overall assessment of each executive's individual performance and contribution towards meeting corporate objectives, levels of responsibility, length of service and industry comparables.

Executive compensation is comprised primarily of a base salary and participation in the Company's stock option plan and may also consist of bonuses and other perquisites which are awarded on an occasional basis.

The salary for each executive officer's position is primarily determined having regard for the incumbent's responsibilities, individual performance factors, overall corporate performance, and the assessment of such individual as presented by management to the Board and the Compensation Committee. The salary is intended to provide the executive officer with a compensation level competitive with base salaries within the industry. Executive officers benefit from improved performance of the Company almost entirely through their participation in the Company stock option plan and from time to time by the receipt of bonuses.

BOARD REVIEW PROCESS

The Board has adopted a policy on Board review process. The Board review process: (a) provides directors with an opportunity once each year to evaluate the Board's and each Board committee's performance and to make suggestions for its improvement; (b) provides an opportunity for the Board to comment on the Chairman's leadership; (c) provides an opportunity for the Chairman to evaluate each director's individual performance and to make suggestions for improvement. The Board review process is overseen by the Board as a whole.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

RATIFICATION OF AMENDMENT TO BY-LAW NO. 1

On October 28, 2016, the Board authorized and approved an amendment of the Company's By-Law No. 1. The By-Law No. 1 reflects amendments which: (i) increase the quorum requirement for meetings of shareholders from two shareholders, each holding or representing by proxy shares entitled to be cast at the meeting, to two shareholders holding or representing by proxy not less than 25% of the votes entitled to be cast at meetings of shareholders; (ii) increase the quorum requirement for meetings of directors from two directors to a majority of the then current number of directors; and (iii) include an advance notice provision (the "Advance Notice Provision") which requires advance notice to the Company of nominations of persons for election to the Board in circumstances where nominations are made by shareholders other than pursuant to a shareholder proposal made pursuant to the provisions of the *Canada Business Corporations Act* (the "CBCA") or a requisition of shareholders made in accordance with the CBCA.

The Advance Notice Provision, among other things, provides for a deadline by which shareholders must notify the Company in writing of an intention to nominate directors for election to the Board prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in such notice.

In the case of an annual meeting of shareholders (including an annual and special meeting), notice to the Company must be made not less than 30 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is called for a date that is less than 50 days after the date on which the first public announcement of the date of the meeting was made, notice may be made not later than the close of business on the 10th day following such public announcement.

In the case of a special meeting of shareholders (which is not also an annual meeting called for the purpose of electing directors), notice to the Company must be made no later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made.

The Board believes that adopting the Advance Notice Provision is consistent with good corporate governance. The Advance Notice Provision provides a clear process for shareholders to follow for director nominations and sets out a reasonable time frame for nominee submissions and the provision of accompanying information.

The purpose of the Advance Notice Provision is to treat shareholders fairly by attempting to ensure that shareholders receive adequate notice of the nominations to be considered at a meeting and can thereby exercise their voting rights in an informed manner. In addition, the Advance Notice Provision should assist in facilitating an orderly and efficient meeting process.

The foregoing summary of the Company's By-Law No. 1, including the Advance Notice Provision, is qualified in its entirety by reference to the full text of the Company's By-Law No. 1 as set out in Schedule "B", and amendments to By-Law No. 1, all of which are set out in Schedule "A" attached hereto. In addition, the By-Law No. 1, and amendments thereto, are available upon request from the Chief Financial Officer of the Company, or from the Company's public disclosure documents found on SEDAR at www.sedar.com.

Pursuant to the provisions of the CBCA, the foregoing amendments to By-Law No. 1 will cease to be effective unless confirmed by a resolution passed by a simple majority of the votes cast by shareholders at the Meeting.

At the Meeting, shareholders will be asked to consider and, if deemed appropriate, to pass, with or without variation, an ordinary resolution in the following form (the "By-Law Resolution"), subject to such amendments, variations or additions as may be approved at the Meeting, confirming the Company's By-Law No. 1.

"BE IT RESOLVED THAT:

1. the amendments to By-Law No. 1 of the Company as set out in Schedule "A" are hereby confirmed; and
2. any director or officer of the Company be, and is hereby, authorized and directed to execute and deliver for and in name of and on behalf of the Company, whether under its corporate seal or not, all such certificates, instruments, agreements, documents and notices and to do all such other acts and things as in such person's opinion may be necessary or desirable for the purpose of giving effect to this resolution."

The Board recommends that shareholders vote FOR the By-Law Resolution. To be effective, the By-Law Resolution must be approved by not less than a majority of the votes cast by the Fission shareholders present in person, or represented by proxy, at the Meeting.

APPROVAL OF STOCK OPTION PLAN

Under Exchange Policy 4.4 governing stock options, all issuers are required to adopt a stock option plan pursuant to which stock options may be granted (the "Plan") and the Plan must be approved by the Exchange and shareholders. The Plan is limited to not more than 10% of the issued shares of the Company (subject to certain other limitations as set out in the Plan) at the time of any granting of options (on a non-diluted basis). This is constituted as a "rolling" as opposed to a "fixed number" plan and therefore must be approved annually by shareholders.

Management of the Company believes that incentive stock options serve an important function in furnishing directors, officers, employees and consultants (collectively the "Eligible Parties") of the Company an opportunity to invest in the Company in a simple and effective manner and better aligning the interests of the Eligible Parties with those of the Company and its shareholders through ownership of shares in the Company.

Vesting and Exercise

The Board will generally set vesting provisions it deems appropriate to encourage Eligible Parties to remain aligned with the Company and may grant options conditionally upon the occurrence of certain corporate events.

Options must be issued only on terms acceptable to the Exchange and the Plan complies with the requirements of Exchange Policy 4.4 for Tier 2 issuers.

A copy of the Plan is available for review at the offices of the Company or the registered offices of the Company, at Suite 700 – 595 Howe Street, Vancouver, BC, V6C 2T5 during normal business hours up to and including the date of the Meeting.

"BE IT RESOLVED THAT, subject to regulatory approval:

1. the Company's incentive stock option plan (the "Plan") be and it is hereby approved;
2. the Board of Directors be authorized to grant options under and subject to the terms and conditions of the Plan to a maximum number of options that may be granted under the Plan of 10% of the issued common shares of the Company at the date thereof, and
3. the directors and officers of the Company be authorized and directed to perform such acts and deeds and things and execute all such documents, agreements and other writings as may be required to give effect to the true intent of these resolutions."

OTHER MATTERS

The management of the Company is not aware of any other matter to come before the Meeting other than as set forth in the Notice of the Meeting. If any other matter properly comes before the Meeting, it is the intention of the persons named in the enclosed Form of Proxy to vote the shares represented thereby in accordance with their best judgment on such matter.

Subject to the Act, such certificates shall be in such form as the board may from time to time approve. Any such certificate shall be signed in accordance with section 2.04 and need not be under the corporate seal. Notwithstanding the foregoing, unless the board otherwise determines, certificates representing shares in respect of which a transfer agent and/or registrar has been appointed shall not be valid unless countersigned by or on behalf of such transfer agent and/or registrar. The signature of one of the signing officers under section 2.04 or, in the case of a certificate which is not valid unless countersigned by or on behalf of a transfer agent and/or registrar and in the case of a certificate which does not require a manual signature under the Act, the signatures of both signing officers under section 2.04 may be printed or otherwise mechanically reproduced in facsimile thereon. Every such facsimile signature shall for all purposes be deemed to be the signature of the officer whose signature it reproduces and shall be binding upon the Corporation. 8.07 Joint Shareholders. - If two or more persons are registered as joint holders of any share, the Corporation shall not be bound to issue more than one certificate in respect thereof, and delivery of such certificate to one of such persons shall be sufficient delivery to all of them. Any one of such persons may give effectual receipts for the certificate issued in respect thereof or for any dividend, bonus, return of capital or other money payable or warrant issuable in respect of such share.

8.08 Deceased Shareholders. - In the event of the death of a holder, or of one of the joint holders, of any share, the Corporation shall not be required to make any entry in the securities register in respect thereof or to make any dividend or other payments in respect thereof except upon production of all such documents as may be required by law and upon compliance with the reasonable requirements of the Corporation and its transfer agents.

9.02 Dividend Cheques. - A dividend payable in money shall be paid by cheque to the order of each registered holder of shares of the class or series in respect of which it has been declared and mailed by prepaid ordinary mail to such registered holder at the holder's recorded address, unless such holder otherwise directs. In the case of joint holders the cheque shall, unless such joint holders otherwise direct, be made payable to the order of all of such joint holders and mailed to them at their recorded address. The mailing of such cheque as aforesaid, unless the same is not paid on due presentation, shall satisfy and discharge the liability for the dividend to the extent of the sum represented thereby plus the amount of any tax which the Corporation is required to and does withhold. In the event of non-receipt of any dividend cheque by the person to whom it is sent as aforesaid, the Corporation shall issue to such person a replacement cheque for a like amount on such terms as to indemnity, reimbursement of expenses and evidence of non-receipt and of title as the board may from time to time prescribe, whether generally or in any particular case.

A shareholder who attends a meeting of shareholders held outside Canada is deemed to have agreed to it being held outside Canada except when the shareholder attends the meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully held. A meeting held pursuant to section 10.05 shall be deemed to be held at the place where the registered office of the Corporation is located.

10.04 Participation in Meeting by Electronic Means. - Any person entitled to attend a meeting of shareholders may participate in the meeting, in accordance with the Act, by means of a telephonic, electronic or other communication facility that permits all participants to communicate adequately with each other during the meeting, if the Corporation makes available such a communication facility. Notice of a meeting of shareholders called for any purpose other than consideration of the financial statements and auditor's report, election of directors and reappointment of the incumbent auditor shall state the nature of such business in sufficient detail to permit the shareholder to form a reasoned judgment thereon and shall state the text of any special resolution to be submitted to the meeting.

10.07 List of Shareholders Entitled to Notice. - For every meeting of shareholders, the Corporation shall prepare a list of shareholders entitled to receive notice of the meeting, arranged in alphabetical order and showing the number of shares held by each shareholder entitled to vote at the meeting, within the time period required by the Act. If a record date for notice of the meeting is fixed pursuant to section 10.08, the shareholders listed shall be those registered at the close of business on such record date. If no record date for notice is fixed, the shareholders listed shall be those registered at the close of business on the day immediately preceding the day on which notice of the meeting is given or, where no such notice is given, on the day on which the meeting is held. The list shall be available for examination by any shareholder during usual business hours at the registered office of the Corporation or at the place where the central securities register is maintained and at the meeting for which the list was prepared. Where a separate list of shareholders has not been prepared, the names of persons appearing in the securities register at the requisite time as the holder of one or more shares carrying the right to vote at such meeting shall be deemed to be a list of shareholders.

10.08 Record Date for Notice. - The board may, within the prescribed period, fix in advance a date as the record date for the purpose of determining the shareholders entitled to vote at a meeting of shareholders and notice of the record date shall be given within the prescribed period in the manner provided by the Act. If no such record date is so fixed, the record date for the determination of the shareholders entitled to receive notice of the meeting shall be at the close of business on the day immediately preceding the day on which the notice is given or, if no notice is given, shall be the day on which the meeting is held.

10.09 Meetings Without Notice. - A meeting of shareholders may be held without notice at any time and place permitted by the Act (a) if all the shareholders entitled to vote thereat are present or duly represented or if those not present or represented waive notice of or otherwise consent to such meeting being held, and (b) if the auditors and the directors are present or waive notice of or otherwise consent to such meeting being held; so long as such shareholders, auditors or directors present are not attending for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called. At such a meeting any business may be transacted which the Corporation at a meeting of shareholders may transact. If the meeting is held at a place outside Canada, shareholders not present or duly represented, but who have waived notice of or otherwise consented to such meeting, shall also be deemed to have consented to the meeting being held at such place.

10.10 Chair, Secretary and Scrutineers. - The chair of any meeting of shareholders shall be the first mentioned of such of the following officers as have been appointed and who is present at the meeting: the chief executive officer, president, chair of the board, or a vice president who is a shareholder. If no such officer is present within 15 minutes from the time fixed for holding the meeting, the persons present and entitled to vote shall choose one of their number to be chair. If the secretary of the Corporation is absent, the chair shall appoint some person, who need not be a shareholder, to act as secretary of the meeting. If desired, one or more scrutineers, who need not be shareholders, may be appointed by a resolution or by the chair with the consent of the meeting.

10.11 Persons Entitled to be Present. - The only persons entitled to be present at a meeting of shareholders shall be those entitled to vote thereat, the directors and auditor of the Corporation and others who, although not entitled to vote, are entitled or required under any provision of the Act

or the articles or by-laws to be present at the meeting. Any other person may be admitted only on the invitation of the chair of the meeting or with the consent of the meeting.

10.12 Quorum. - Subject to the Act in respect of a majority shareholder, a quorum for the transaction of business at any meeting of shareholders shall be two persons present, each being a shareholder entitled to vote thereat or a duly appointed proxyholder or representative for a shareholder so entitled. If a quorum is present at the opening of any meeting of shareholders, the shareholders present or represented may proceed with the business of the meeting notwithstanding that a quorum is not present throughout the meeting. If a quorum is not present at the opening of any meeting of shareholders, the shareholders present or represented may adjourn the meeting to a fixed time and place but may not transact any other business.

10.13 Right to Vote. - The board may, within the prescribed period, fix in advance a date as the record date for the purpose of determining the shareholders entitled to vote at a meeting of shareholders and notice of the record date shall be given within the prescribed period in the manner provided by the Act. If a record date for voting is fixed, the Corporation shall prepare, within the time period required by the Act, an alphabetical list of shareholders who are entitled to vote as of the record date that shows the number of shares held by each shareholder. If no record date for voting is fixed, the Corporation shall prepare, within the time period required by the Act, an alphabetical list of shareholders who are entitled to vote as of the record date determined under the Act that shows the number of shares held by each shareholder. Each shareholder whose name appears on the list prepared as aforesaid is entitled to vote the shares shown opposite their name at the meeting to which the list relates.

10.14 Proxyholders and Representatives. - Every shareholder entitled to vote at a meeting of shareholders may appoint a proxyholder, or one or more alternate proxyholders, to attend and act as the shareholder's representative at the meeting in the manner and to the extent authorized and with the authority conferred by the proxy. A proxy shall be in writing executed by the shareholder or the shareholder's attorney authorized in writing and shall conform with the requirements of the Act. The Corporation shall recognize any individual authorized by a resolution of the directors or governing body of a body corporate or association to represent it at a meeting of shareholders and such individual may exercise on the shareholder's behalf all the powers it could exercise if it were an individual shareholder. The authority of such an individual shall be established by depositing with the Corporation a certified copy of such resolution, or in such other manner as may be satisfactory to the secretary of the Corporation or the chair of the meeting. Any such proxyholder or representative need not be a shareholder.

10.15 Time for Deposit of Proxies. - The board may specify in a notice calling a meeting of shareholders a time, preceding the time of such meeting by not more than 48 hours, excluding Saturdays and holidays, before which time proxies to be used at such meeting must be deposited. A proxy shall be acted upon only if, prior to the time so specified, it shall have been deposited with the Corporation or an agent thereof specified in such notice or if, no such time having been specified in such notice, it has been received by the secretary of the Corporation or by the chair of the meeting or any adjournment thereof prior to the time of voting.

10.16 Joint Shareholders. - If two or more persons hold shares jointly, any one of them present or duly represented at a meeting of shareholders may, in the absence of the other or others, vote the shares; but if two or more of those persons are present or represented and vote, they shall vote as one the shares jointly held by them.

10.17 Votes to Govern. - At any meeting of shareholders every question shall, unless otherwise required by the articles or by-laws or by law, be determined by a majority of the votes cast on the question. In case of an equality of votes either upon a show of hands or upon a poll, the chair of the meeting shall not be entitled to a second or casting vote.

10.18 Show of Hands. - Subject to the Act, any question at a meeting of shareholders shall be decided by a show of hands, unless a ballot thereon is required or demanded as hereinafter provided. Upon a show of hands every person who is present and entitled to vote shall have one vote, subject to any provision of the Act restricting the ability of a proxyholder or alternate proxyholder to vote by way of show of hands where such person has conflicting instructions from more than one shareholder. Whenever a vote by show of hands shall have been taken upon a question, unless a ballot thereon is so required or demanded, a declaration by the chair of the meeting that the vote

upon the question has been carried or carried by a particular majority or defeated and an entry to that effect in the minutes of the meeting shall be prima facie proof of the fact without proof of the number or proportion of the votes recorded in favour of or against any resolution or other proceeding in respect of the said question, and the result of the vote so taken shall be the decision of the shareholders upon the said question. Any vote referred to in section 10.17 and this section 10.18 may be held, subject to and in accordance with the Act, partly or entirely by means of a telephonic, electronic or other communication facility, if the Corporation makes available such a communication facility. Any person participating in a meeting of shareholders under section 10.04 or 10.05 and entitled to vote at that meeting may vote, subject to and in accordance with the Act by means of the telephonic, electronic or other communication facility that the Corporation has made available for that purpose.

10.19 Ballots. - On any question proposed for consideration at a meeting of shareholders, and whether or not a show of hands has been taken thereon, the chair may require a ballot or any person who is present and entitled to vote on such question at the meeting may demand a ballot. A ballot so required or demanded shall be taken in such manner as the chair shall direct. A requirement or demand for a ballot may be withdrawn at any time prior to the taking of the ballot. If a ballot is taken each person present shall be entitled, in respect of the shares which such person is entitled to vote at the meeting upon the question, to that number of votes provided by the Act or the articles, and the result of the ballot so taken shall be the decision of the shareholders upon the said question.

10.20 Adjournment. - The chair at a meeting of shareholders may, with the consent of the meeting and subject to such conditions as the meeting may decide, adjourn the meeting from time to time and from place to place. If a meeting of shareholders is adjourned for less than 30 days, it shall not be necessary to give notice of the adjourned meeting, other than by announcement at the earliest meeting that is adjourned. Subject to the Act, if a meeting of shareholders is adjourned by one or more adjournments for an aggregate of 30 days or more, notice of the adjourned meeting shall be given as for an original meeting.

10.21 Action in Writing by Shareholders. A resolution in writing signed by all the shareholders entitled to vote on that resolution at a Meeting of Shareholders is as valid as if it had been passed at a Meeting of Shareholders, unless a written statement with respect to the subject matter of the resolution is submitted by a Director or the auditor, in each case in accordance with the Act.

10.22 Only One Shareholder. If the Corporation has only one shareholder, or only one holder of any class or series of shares, the shareholder present in person or duly represented constitutes a Meeting of Shareholders.

SECTION ELEVEN

NOTICES

11.01 Method of Giving Notices. - Any notice (which term includes any communication or document) to be given (which term includes sent, delivered or served) pursuant to the Act, the articles, the by-laws or otherwise to a shareholder, director, officer, auditor or member of a committee of the board shall be sufficiently given, subject to any provisions in the Act regarding certain types of communications or documents, if delivered personally to the person to whom it is to be given; if delivered to the person's recorded address or if mailed to such person at such recorded address by prepaid ordinary mail; if sent to such person at such recorded address by any means of prepaid transmitted or recorded communication; or by providing an electronic document by means of electronic delivery, subject to and in accordance with the Act. A notice so delivered shall be deemed to have been received when it is personally delivered; a notice so mailed shall be deemed to be received at the time it would be delivered in the ordinary course of mail and a notice so sent shall be deemed to have been received on the day it is transmitted. The secretary may change or cause to be changed the recorded address of any shareholder, director, officer, auditor or member of a committee of the board in accordance with any information believed by the secretary to be reliable.

11.02 Notice to Joint Shareholders. - If two or more persons are registered as joint holders of any share, any notice may be addressed to all such joint holders, but notice addressed to one of such persons shall be sufficient notice to all of them.

11.03 Computation of Time. - In computing the date when notice must be given under any provision requiring a specified number of days' notice of any meeting or other event, the day of giving the notice shall be excluded and the day of the meeting or other event shall be included.

11.04 Undelivered Notices. - If any notice given to a shareholder pursuant to section 11.01 is returned on two consecutive occasions because the shareholder cannot be found, the Corporation shall not be required to give any further notices to such shareholder until informed in writing by the shareholder of a new address.

11.05 Omissions and Errors. - The accidental omission to give any notice to any shareholder, director, officer, auditor or member of a committee of the board or the non-receipt of any notice by any such person or any error in any notice not affecting the substance thereof shall not invalidate any action taken at any meeting held pursuant to such notice or otherwise founded thereon.

11.06 Persons Entitled by Death or Operation of Law. - Every person who, by operation of law, transfer, death of a shareholder or any other means whatsoever shall become entitled to any share, shall be bound by every notice in respect of such share which shall have been duly given to the shareholder from whom such person derives title to such share prior to the name and address of such person being entered on the securities register (whether such notice was given before or after the happening of the event upon which such person became so entitled) and prior to such person furnishing to the Corporation the proof of authority or evidence of entitlement prescribed by the Act.

11.07 Waiver of Notice. - Any shareholder, proxyholder, director, officer, auditor or member of a committee of the board, or any other person entitled to receive notice of a meeting of shareholders or any other notice from the Corporation, may at any time waive any notice, or waive or abridge the time for any notice, required to be given to such person under the Act, the articles, the by-laws or otherwise, and such waiver or abridgement, whether given before or after the meeting or other event of which notice is required to be given, shall cure any default in the giving or in the time of such notice, as the case may be. Any such waiver or abridgement shall be in writing except a waiver of notice of a meeting of shareholders or of the board or a committee of the board which may be given in any manner.

11.08 Interpretation. - In the by-laws, "recorded address" means: in the case of a shareholder, the address as recorded in the securities register; in the case of joint shareholders, the address appearing in the securities register in respect of such joint holding or the first address so appearing if there are more than one; and in the case of a director, officer, auditor or member of a committee of the board, the latest address as shown in the records of the Corporation.

11.09 Electronic Documents. - A requirement under these by-laws that a notice, document or other information be provided in writing may be satisfied by providing an electronic document and a requirement under these by-laws for a signature or that a document be executed, in relation to an electronic document, may be satisfied, in each case, if the requirements in the Act in respect thereof are met.
